House Appropriations Request FY 2011

Project Name: Berryhill Mega Industrial Park
Recipient: City of Eden, North Carolina
Recipient Address: P.O. Box 70

Recipient City: Eden
Recipient State: North Carolina
Recipient Zip: 27289

Amount of Request: \$1,400,000.00

Explanation of the request:

The City of Eden will use this funding to run water and sewer utility lines to the mega-industrial park that is located just over the state line in Virginia. The mega-industrial park will be the first one of its kind within a three state area. This project is a valuable use of taxpayer funds because the mega park has the potential to employ up to 5,000 people from the three border counties of Rockingham, Caswell and Stokes. All of these counties have been hit extremely hard with the decline of legacy industries. The mega-industrial park will enable them to rebuild their economies through the new jobs offered in this multi-state project.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
